

Molly Roklen

EDUCATION

Tel Aviv University | *GMBA, emphasis in Innovation and Entrepreneurship*
SEPT 2020 - AUG 2021

University of Wisconsin-Madison | *B.S. Industrial Engineering*
SEPT 2015 - DEC 2019
GPA 3.56/4.0
Engineering Dean's Honor List 6 semesters
Lean Six Sigma (Green Belt) Certificate.

EXPERIENCE

Walt Disney Parks and Resorts | *Industrial Engineer Intern*
AUG 2019 - DEC 2019 | Anaheim, CA

- Minimized wait time for guest check-out experience by implementing a register deployment system at the World of Disney Merchandise store.
- Shadowed cast members in all areas relating to replenishing and stocking the store in order to best understand current-state operations.
- Uncovered a resort-wide supply chain dilemma, created a plan to move forward, and communicated this to teams involved with Disney's merchandise replenishment.

Wells Fargo Home Mortgages | *Process Engineer Intern*
MAY 2019 - AUG 2019 | Minneapolis, MN

- Developed a standard processing documentation for how future observations should be planned, conducted and executed.
- Participated in time studies, cleaned data and extracted observer inconsistencies, then transitioned data analyses into Excel.
- Simultaneously worked on an intern virtual team project, presented out to managers on our innovative solution for Wells Fargo to help younger clients budget on the Wells Fargo mobile application.

Plexus Corporation | *Supplier Quality Intern*
MAY 2018 - AUG 2018 | Neenah, WI

- Organized quality codes with close attention to detail, eliminating variations in language to condense and simplify the amount of codes available.
- Developed specifications for a new quality code system that would be more adaptable and orderly, documented the steps required and phases for this project.

Hillel at the UW-Madison | *Freshman Engagement Intern*
AUG 2016 - MAY 2017 | Madison, WI

- Planned 8+ social events with attendance of 20 freshmen each to help students adjust to college life such as welcome-week bingo and midterm studying events.
- Hosted individual meet-and-greets to foster a sense of community and recruited undergraduates to join the freshman committee.

PROJECTS

Werner Lab, UW-Madison — *Human Factors Lab Member*
MAY 2017-DEC 2017

Assisted in research for a literature review on interactive decision aids.

Senior Design Lab — *UW-Madison*
JAN 2019-MAY 2019

Completed consulting group work for UW Health-Research Park, focusing on improving patient satisfaction and flow in the rehabilitation area.
